CEDAR GROVE

CHRISTMAS TREES

1. This pricing is for total order quantities of a half tractor-trailer load or more. While the number of trees which constitutes a half-load will vary depending on size, type, and grade, we will generally consider a half-load of trees to be:
 - a. 350 for Premium Grade 7-8' or
 - b. 400 for #2 Grade 7-8'These designations are made at our sole discretion.
2. Pricing does not include freight charges (we will assist with transportation and will only book a truck with your written approval and prepayment). If ordering less than a ½ load, pickup will be at our distribution center in Cedar Grove, NJ. Orders picked up in Cedar Grove - Please add 10.8% to the displayed prices for inbound freight and handling. West Coast trees are subject to an additional freight share.

½ and full truckload quantities of trees will load in the following locations:
 - a. **Balsam Fir** - Central or Northern Nova Scotia or Southern New Brunswick, Canada
 - b. **Nordmann, Noble, or Western Douglas Fir** - Western Oregon
 - c. **Fraser Fir** - North Carolina or Virginia
3. Western Douglas Fir must be protected from frost & freeze.
4. Unless otherwise noted:
 - a. Balsam Fir Christmas Trees - Product of Canada
 - b. Fraser Fir Christmas Trees - Product of the United States or Canada (stated on the manifest)
 - c. Douglas Fir Christmas Trees - Product of the United States
(Requires protection from frost/freeze)
 - d. Noble Fir Christmas Trees - Product of the United States
 - e. Nordmann Fir Christmas Trees - Product of the United States
 - f. Balsam Fir Wreaths & Garland containing Balsam Fir - Product of the United States or Canada (stated on the manifest).
5. Due to current market conditions, prices and availability are subject to change, occasionally within a 24-hour period. Following our terms and conditions, orders are not confirmed until invoice payments are received and our sale agreement is signed and returned to us.
